

Set sail on the Mediterranean's azure waters. Follow the path of the fabled BLUE VOYAGE. Marvel at panoramic views of Turkey's stunning southwest coastline.

Cruise the hidden coves of nearby Greek Islands. Soak up the sun and open water. Explore the classic cultures of the area.

Plan your own itinerary or let us provide some excellent options for your Aegean Sails experience.

Captain Yilmaz and his experienced crew will make certain every facet of your cruise holiday adds up to one of your best vacations ever.

Each day's cruise is an adventure. Our chef will dazzle you with incredible menus at breakfast, lunch, teatime and supper. Fresh fish, wonderful lamb, an abundant array of fresh fruits and vegetables will adorn your dining table. Special requests? Just let your Captain know.

*Our Gulet "Piccolo" in Symi*

We pride ourselves in satisfying even the most knowledgeable and sophisticated traveler. Your cruise will be unique and special. We will cater to your group's size and budget, and your concerns for luxury and safety.

Visit our website for comprehensive information about Piccolo and suggested itineraries. Or phone an Aegean Sails representative for a personal introduction to your adventure holiday.
